

# Best practice guide to using photos

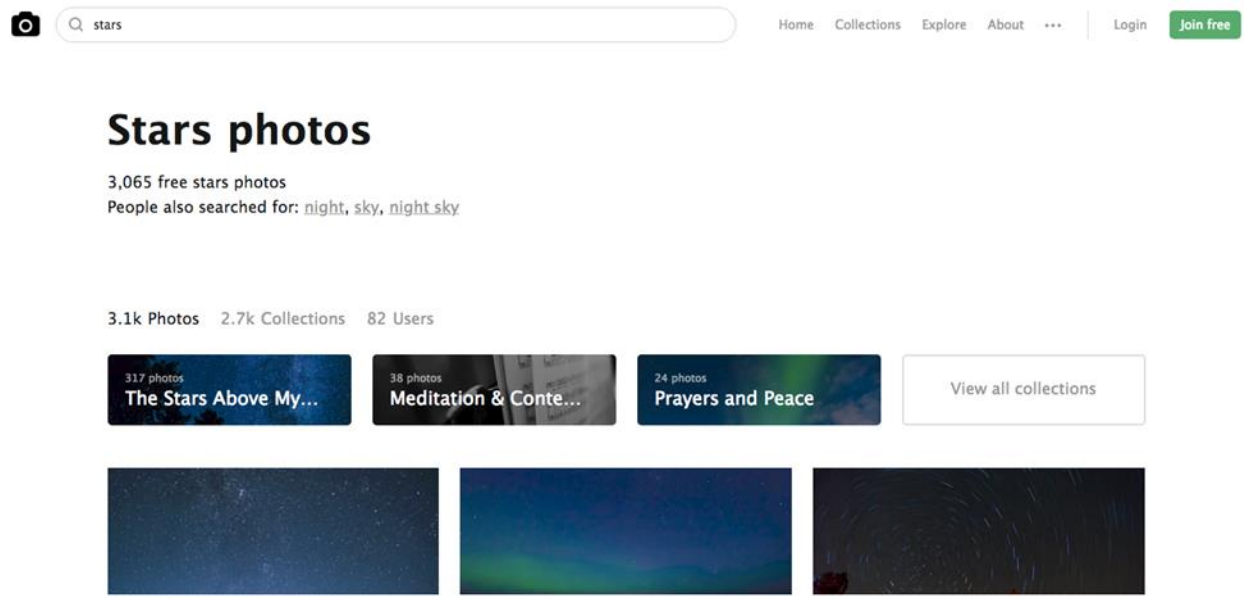

## Other photo resources

### UnSplash

<https://unsplash.com/>

A creative selection of photos arranged by theme with a weekly update available for email subscribers. All images are completely free to use for any purpose, and although photographers do not need to be credited it is good etiquette to still do so wherever possible.

### Pexels

<https://www.pexels.com>

Operates under the Creative Commons licensing structure, and has a wide range of photos available. The site uses advertising to cover its costs.

### picjumbo

<https://picjumbo.com>

As the name suggests a huge catalogue of free images, with some premium (paid) options. The site was set up by a professional photographer, with the aim of improving the quality of photos on the web.
